

For those with underlying health conditions

Application for sending priority vaccination tickets for New Coronavirus Vaccine

~ Schedule ~

Next to elderly, vaccinations for those with underlying diseases will be started.

Vaccination tickets for those with underlying diseases will be sent to those who request them, with priority given to those who submit an application after confirming the details.

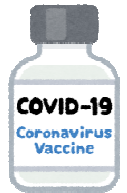

Vaccination tickets will be sent from **early July**, to those who apply

by any of the following methods.

Please be advised that vaccination tickets will not be sent immediately upon request.

You can make a reservation as soon as you receive your vaccination ticket.

Detailed information about the mailing date of vaccination tickets will be announced in the July issue of the Gamagori City bulletin and on the website.

※ Please refer to (Applicable underlying diseases) on the back for detailed information.
